**PBH Rice Hull Media Amendment Now Available
From Griffin Greenhouse & Nursery Supplies**

(Stuttgart, Arkansas) Riceland Foods, Inc. has named Griffin Greenhouse & Nursery Supplies as its exclusive Northeast and Mid-Atlantic distributor of PBH Growing Medium Material, a uniquely processed and sterilized rice hull media amendment.

Griffin Greenhouse & Nursery Supplies is based in Tewksbury, MA, and serves customers from 10 locations in Massachusetts, Maine, Connecticut, Pennsylvania, Virginia, New Jersey and New York, as well as through an online catalog at www.griffins.com.

“Our intent was to put PBH into the hands of a supplier with a reputation for outstanding products and service, along with a powerful presence in the eastern U.S.,” PBH Eastern Regional Manager Mark Shepherd said. “With Griffin as our distribution partner, we have met our objective.”

Riceland Foods is a farmer-owned cooperative founded in 1921 to market rice. The organization, headquartered in Stuttgart, AR, now employs 1,800 people and markets rice, soybeans and wheat grown by its 9,000 farmer members. For more information or to find a Griffin Greenhouse & Nursery Supplies location near you, contact the corporate office at 987-851-4346.
