

# From our family to yours...

**Griffin's mission is to provide a complete line of quality horticultural supplies and materials to professional growers. Our commitment is a customer-driven philosophy where the customer's success and well-being is placed above all else. We are committed to continually educating our customers in the latest industry advancements to enable them to make the decisions necessary to maintain a healthy, growing business.**

**Pictured from left to right: Rick, Ken Jr., Craig, and Ken Hyslip seated.**
