Sustainability has become an important part of horticulture today. IHA's 5 part “Grow Green” webinar series will provide you with the information you need to make your growing operation more sustainable and green.

Once a month (for the next four months) IHA will partner with two of the leading manufacturers of horticultural products to present an informative presentation on their green products or how to use their products in a more sustainable way.

The March 23rd webinar will contain presentations by these manufacturers:

A.T. Films – How to Save Green by Being Green

Myers Lawn & Garden Group – Coir Pots

This Webinar is held on the following dates:

Feb 23, 2010 1:00 PM - 2:00 PM EST (Copy available on demand 3/31/10)
