

SNAP & GROW

Hobby Greenhouse

GRIFFIN

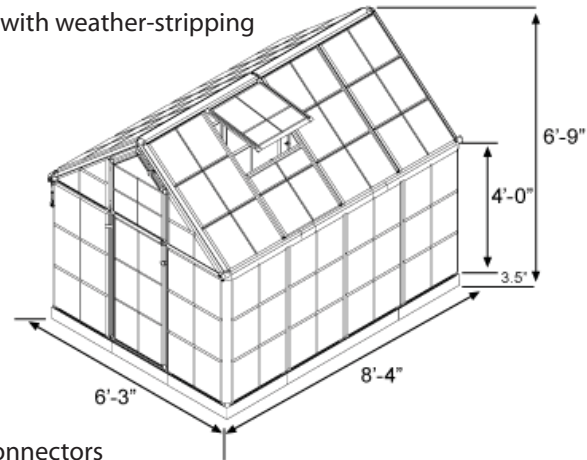

GREENHOUSE & NURSERY SUPPLIES

The all new Snap & Grow Silver 6 ft x 8 ft greenhouse has been engineered from the ground up to get you growing quickly. It features the innovative SmartLock™ connector system that allows you to assemble the heavy-duty, aluminum frame quickly and easily without a lot of hardware. The innovative split door and vent windows are even preassembled out of the box! The tough, crystal-clear SnapGlas™ panels simply slide and lock into place without any complicated tools or hardware. Get growing so you too can start to enjoy greenhouse gardening in a Snap!

- Fast & easy assembly using SmartLock™ connectors
- Unique, split-style door provides easy access and ventilation
- Includes preassembled door & window with weather-stripping
- Great for growing in all climates
